

Summer Recreation Programs 2027

Every summer the Town of Millbrook runs day camps, swimming lessons and sports leagues for residents of all ages. This notice explains how to sign up, what each program costs and how to get help paying for it. Registration opens on Monday, June 2 and most programs fill within two weeks.

How to register

You can register for any program in three ways. Please have each participant's date of birth and an emergency contact ready before you start.

- Online at millbrook.gov/rec, open around the clock
- In person at Town Hall, Room 104, weekdays 8:30 to 4:30
- By phone at (555) 014-2290 during office hours

Spaces are given in the order registrations are received. If a program is full you will be added to its waiting list and contacted if a space opens.

Financial assistance

No child should miss out on summer because of cost. The Recreation Fund covers up to 75 percent of program fees for eligible families, and payment plans are available for everyone.

Who qualifies

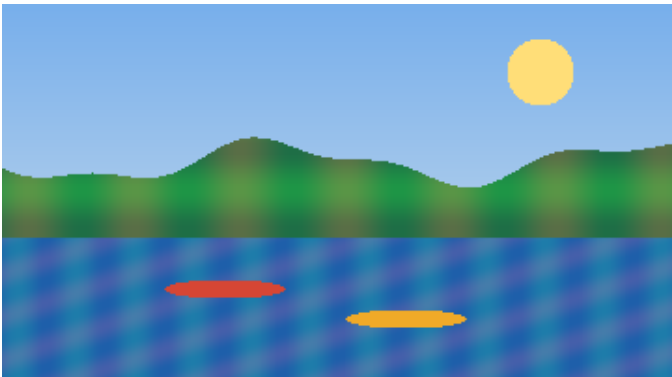

Households that receive SNAP, WIC or free school meals qualify automatically. Other households may apply with proof of income. Applications are confidential and are decided within five working days.

Ask for an application form at Town Hall or download one from the website.
